

White Garden Fast Facts			
The White Garden is our beautiful Victorian garden with all white-flowering plants and shrubs, and is a world-class location for small weddings of up to 40 guests. The stone-floored arbor is a picturesque spot for the Bride and Groom to stand during the ceremony, and the fountain at the garden's entrance adds to the ambiance.

Set up options explained:

Theater

Chairs are set up in rows, all facing the front. This set-up is used primarily for meetings where attendees do not have to take notes. It is an ideal set-up option for showing presentations or for a non-interactive internet seminar or broadcast.

Rounds

Chairs are set up around a series of circular tables throughout the room. This set-up is used mainly for banquets, weddings, dinners, or social dining events. It is also used for larger meetings or retreats, with participants turning chairs toward a speaker or audio-visual presentation.

Reception

Participants stand and mingle during a reception-style event. Tables are used only for food and beverage or group materials.
